

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TAL
Docket No: 640-12
16 October 2012

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 11 October 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and began a period of active duty on 16 March 1993 at age 19. You were convicted by summary court-martial (SCM) of two instances of willfully destroying government property, a desk and a wall locker valued at 539.00, by punching and kicking them, and wrongful use of steroids. The punishment imposed was reduction in paygrade, a forfeiture of pay and restriction. You were notified of pending administrative discharge processing with an other than honorable (OTH) discharge due to misconduct. You waived all of your procedural rights, including your right to an administrative discharge board (ADB). On 21 July 1995, you received the OTH discharge for misconduct.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board found that

these factors were not sufficient to warrant recharacterization of your discharge due to the seriousness of your misconduct that resulted in a SCM. The Board noted that you waived your procedural right to an ADB, your best opportunity for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Acting Executive Director
