

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

SJN
Docket No: 01089-12
3 December 2012

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 29 November 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and began a period of active duty on 28 March 1985. During the period from 3 June to 14 March 1986, you received three nonjudicial punishments (NJP's) for assault, two periods of unauthorized absence (UA) and drunk and disorderly conduct. On 25 August and 3 September 1986, you were counseled and warned that further misconduct could result in administrative discharge action. On 8 September and 27 October 1986, you were convicted by summary courts-martial (SCM) of UA, five specifications of disrespect, displaying conduct of a nature to bring discredit upon the armed forces, and two specifications of disobedience. Subsequently, administrative discharge action was initiated by reason of misconduct due to a pattern of misconduct. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). On 22 November 1986, your case was forwarded recommending that you be discharged under other than honorable (OTH) conditions by reason of misconduct. The separation authority concurred and directed an OTH discharge by reason of misconduct due to a pattern of misconduct. You were so discharged on 24 December 1986.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given your three NJP's and two SCM convictions, and the fact that you were counseled and warned of the consequences of further misconduct. The Board also noted that you waived the right to an ADB, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

BRIAN J. GEORGE
Head, Discharge Section
