

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

TAL  
Docket No: 1457-12  
21 March 2012

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 14 March 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and began a period of active duty on 9 March 1966 at age 17. On 30 October 1969, you received nonjudicial punishment (NJP) for failure to obey a lawful order. The punishment awarded was reduction in paygrade to corporal. On 19 February 1970 you were honorably discharged.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your overall record and Vietnam service. Nevertheless, the Board concluded these factors were not sufficient to warrant removing the NJP and reinstating you to sergeant. The Board concluded that sufficient evidence existed to support the commanding officer's

decision to impose NJP. Finally, no NJP is removed from a record merely because of the passage of time. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEEFFER  
Executive Director
