701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TJR
Docket No: 8119-12
15 October 2012

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments
(2) Case summary with attachments
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a member of the Marine Corps, filed enclosure (1) with this Board requesting that his record be corrected by removing derogatory material regarding, in part, child neglect and domestic assault, which is reflected on an administrative remarks entry (page 11) dated 17 November 2001 in his official military personnel record (OMPF).

2. The Board, consisting of Messrs. Dixit, Pfeiffer, and Whalen, reviewed Petitioner's allegations of error and injustice on 2 October 2012 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion (AO) provided by Headquarters Marine Corps Manpower Information Quality Assurance, Manpower Management Information Systems Division (MIQ) dated 12 September 2012, a copy of which is attached to enclosure (2).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. Petitioner's record contains an adverse administrative remarks entry (page 11) dated 17 November 2011 which reflects, in part, substantiated child neglect due to exposing children to the hazards of a domestic assault in which his spouse was determined to have met the criteria for spousal abuse. However, the entry reflects documentation that **does not** pertain to him.

d. In the enclosed AO from MIQ, it was recommended that Petitioner's record be corrected since the information is a result of spousal abuse wherein he is the 'victim' of the domestic event, and the entry itself does not conform with the requirements for proper documentation of a page 11 entry. As such, the adverse administrative remarks entry should be totally expunged from the record.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the AO, the Board finds the existence of an error and injustice warranting corrective action. In this regard, the Board concludes that the adverse administrative remarks (page 11) entry should be totally expunged from the record.

In view of the above, the Board directs the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the administrative remarks (page 11) entry dated 17 November 2011.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed, or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was

present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
