

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TJR
Docket No: 3543-13
21 March 2014

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 18 March 2014. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 29 November 1993 and immediately began a period of active duty. You served without disciplinary incident until 23 July 1996, when you were convicted by summary court-martial (SCM) of wrongful use of marijuana and sentenced to confinement for 30 days, a \$291 forfeiture of pay, and reduction to paygrade E-1.

Subsequently, you were processed for an administrative separation by reason of misconduct due to drug abuse. After waiving your procedural right to consult with legal counsel and to present your case to an administrative discharge board (ADB), on 16 September 1996 your commanding officer recommended discharge under other than honorable conditions by reason of misconduct due to drug abuse. On 25 September 1996 the discharge authority approved this recommendation and directed your commanding officer to issue you an other than honorable discharge by reason of misconduct, and on 4 October 1996, you were so discharged.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your post service conduct and desire to upgrade your discharge. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of the seriousness of your drug related misconduct. Further, you were given an opportunity to defend yourself, but waived your procedural right to present your case to an ADB. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Acting Executive Director
