

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S COURTHOUSE ROAD SUITE 1001
ARLINGTON VA 22204-2490

BAN
Docket No. NR05266-13
22 November 2013

[REDACTED]

This is in reference to your recent request for reconsideration to your original application which was denied in 1999. In your recent request, you have submitted additional information for the Board's review on 22 November 2013. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps (HQMC) memo 1400/3 MMPR-2 of 16 Jul 2013, a copy of which is being provided to you.

After careful and conscientious consideration of the entire record, the Board found that the additional evidence submitted was insufficient to establish the existence of probable material error or injustice. In making this determination, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is also important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
W. Dean Pfeiffer
