BOARD FOR CORRECTION OF NAVAL RECORDS

Docket No. 782-13

16 January 2014

[REDACTED]

Dear Mr. [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 16 January 2014. After careful consideration of your application, the Board concluded that your application was not timely filed, and that it would not be in the interest of justice to excuse your failure to submit your application in a timely manner.

Although you claim that you discovered the alleged errors and injustices in your record on 10 November 2012, the Board found that you were aware of the circumstances of your non-selection for promotion, failure of the body composition assessment and physical fitness test, gaps in your fitness report record, and separation without entitlement to separation pay or disability benefits, on 6 December 2006, when you were voluntarily discharged at the expiration of your active service commitment.

You may request reconsideration of this decision. Your request must include newly discovered relevant evidence which was not reasonably available to you when you submitted your application. The evidence may pertain to the timeliness of your application or to its merits.

Absent such additional evidence, further review of your application is not possible.

It is regretted that a more favorable reply cannot be made.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".

ROBERT D. ZSALMAN

Acting Executive Director
