

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

BC
Docket No: 00643-14
5 June 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10, United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 4 June 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

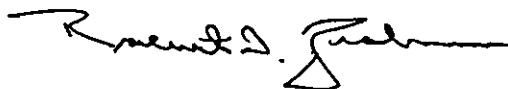

You enlisted in the Marine Corps and began a period of active duty on 14 May 2007. On 19 November 2009, you received counseling concerning your failure to obey an order/regulation for improper use of a government vehicle. On 6 September 2012, you received counseling concerning being dropped from the Sergeants' Course for using a racial slur in a writing assignment. On 15 November 2012, you received counseling and were informed you that you would receive an RE-30 reentry code upon your separation due to your failure to obligate for orders, and you chose not to submit a statement.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors present in your case. However, the Board found those factors insufficient to warrant removal of the administrative remarks page 11 entry

concerning the RE-30 reentry code. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
