REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 13 Sep 13 w/attachment
(2) HQMC MIQ memo dtd 6 May 14
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the undated service record page 11(b) ("Administrative Remarks (1070)") entry concerning counseling for dereliction in the performance of duties, specifically, failing to return his pistol to the armory, a copy of which is at Tab A.

2. The Board, consisting of Messrs. Hicks, Spooner and Swarens, reviewed Petitioner's allegations of error and injustice on 22 May 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Headquarters Marine Corps office with cognizance over the

subject matter of Petitioner's case has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the undated service record page 11(b) ("Administrative Remarks (1070)") entry concerning counseling for dereliction in the performance of duties, specifically, failing to return his pistol to the armory. This is to be accomplished by physically removing the page 11(b) on which the entry appears, or completely obliterating the entry so it cannot be read, rather than merely lining through it.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
