1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by changing the acceptance date of his commission as a lieutenant, U. S. Navy Reserve, from 11 January 2014 to 1 December 2013.
2. The Board, consisting of Ms. Countryman and Messrs. Marquez and Storz, reviewed Petitioner's allegations of error and injustice on 11 September 2014, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:
  - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
  - b. In enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of Petitioner's case has commented to the effect the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (2), the Board finds an error and injustice warranting the following corrective action:

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show the acceptance date of his commission as a lieutenant, U. S. Navy Reserve as 1 December 2013, rather than 11 January 2014.

b. That his anniversary date and Pay Entry Base Date (PEBD) be adjusted accordingly.

c. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
