

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

SJN  
Docket No: 4341-14  
2829-13  
20 April 2015

[REDACTED]  
Dear [REDACTED]

This is in reference to your latest reconsideration request received on 25 February 2014. You previously petitioned the Board and were advised in our letter of 27 January 2014, that your application had been denied.

Your current request has also been carefully and conscientiously examined. However, given that it does not contain new evidence that was not previously considered by the Board, your request must again be denied. In accordance with the foregoing, your application is hereby administratively closed.

It is regrettable that the circumstances of your case are such that the Board will not process any additional reviews and this matter is considered a final action. However, if you wish to continue to seek relief you will need to present your concerns to a court of appropriate jurisdiction.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. O'Neill", is written over the typed name.

ROBERT J. O'NEILL  
Executive Director
