

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001

TAL  
Docket No: 4632-14/  
4876-80

[REDACTED]

This is in reference to your reconsideration request dated 24 February 2014. You previously petitioned the Board and were advised in our letter of 26 May 1981, that your application had been denied.

Your current request has been carefully examined by a three-member panel of the Board for Correction of Naval Records, sitting in executive session. Documentary material considered by the Board consisted of your application and prior case file.

After careful and conscientious consideration of the entire record, the Board determined your assertion, that you had trouble with your younger brother, even though not previously considered by the Board, was insufficient to establish the existence of material error or injustice. The Board determined the assertion was not enough to outweigh the significant misconduct you committed while on active duty. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regrettable that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence within one year from the date of the Board's decision. New evidence is evidence not previously considered by the Board prior to making its decision in your case. In this

regard, it is important to keep in mind that a presumption of regularity attaches to all official record, the burden is on the applicant to demonstrate the existence of material error or injustice.

Sincerely,

A handwritten signature in black ink, appearing to read "R. J. O'Neill", written in a cursive style.

ROBERT J. O'NEILL
