DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

JSR  
Docket No: NR4760-14  
12 June 2014

[REDACTED]

Dear Staff Sergeant [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 12 June 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the report of the Headquarters Marine Corps (HQMC) Performance Evaluation Review Board (PERB), dated 9 April 2014, and the e-mail from HQMC dtd 22 April 2014 with attachments, copies of which are attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. The Board found nothing objectionable about the comment, in section I (reporting senior's "Directed and Additional Comments") of the contested fitness report, that you were "recommended for relief for cause and void [sic] of [your] 8511 [drill instructor] MOS [military occupational specialty]." In

that regard, the Board was unable to find this was a factually inaccurate statement, and it noted that according to the HQMC e-mail dated 22 April 2014, you were relieved for cause and your 8511 MOS was removed. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert D. Zsalmán". The signature is fluid and cursive, with a prominent initial "R" and a long, sweeping underline.
