Docket No: NR5283-14

14 August 2014

[REDACTED]

Dear Staff Sergeant [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 14 August 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the report of the Headquarters Marine Corps Performance Evaluation Review Board (PERB), dated 17 April 2014, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the report of the PERB. The Board found nothing adverse in the uncontested fitness report for 1 April 2007 to 3 March 2008, which you believe to have been influenced by the incident of January 2007, or in the uncontested report for 1 November 2006 to 31 March 2007, during which the incident occurred. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".
