

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

BC
Docket No: 00630-14
23 June 2014

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL OF RECORD OF FORMER [REDACTED]
[REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting, in effect, that his RE-30 (orders refusal) reentry code, issued on 28 December 2013, be changed.

2. The Board, consisting of Mr. Zsalman, and Mr. Tew, and Ms. White-Olson, reviewed Petitioner's allegations of error and injustice on 18 June 2014, and, pursuant to its regulations, determined that the partial corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Petitioner entered the Marine Corps on 25 October 2004. Between 18 January 2008 and 14 April 2009, he received seven counseling page 11 entries (Administrative Remarks). On 23 March 2012, he requested to have his orders cancelled which was approved and, on his final evaluation, he was recommended for retention, however, he was assigned an RE-30 reentry code upon his separation. The organization could have assigned an RE-3C

(when directed by CMC or when not eligible and disqualifying factor is not covered by any other code) reentry code on 28 December 2013.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action.

The Board concludes that based upon his overall record of service, that relief in the form of changing his RE-30 to an RE-3C is warranted.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he received an RE-3C vice an RE-30 reentry code on 28 December 2013.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

ROBERT D. ZSALMAN
Recorder

BRIAN J. GEORGE
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e))

and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

A handwritten signature in cursive script, appearing to read "Robert D. Zsalmán".

ROBERT D. ZSALMAN
Acting Executive Director
