

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

JET  
Docket No. NR6830-14  
10 Sep 14

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 10 September 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CNPC Memo 1780 PERS-314 of 3 Jul 14, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In making this determination, the Board concurred with the comments contained in the advisory opinion. In particular, the Board found that you were separated with a General (Under Honorable Conditions) characterization, which is not a qualifying characterization for receiving and using the Montgomery GI Bill (MGIB). You petitioned the Naval Discharge Review Board for an upgrade of your discharge and you were denied the upgrade on 7 November 2011. The Board for Correction of Naval Records has also denied upgrading your discharge from General (Under Honorable Conditions) to Honorable.

Under these circumstances, the Board found that no relief is warranted. Accordingly, your application has been denied. The

names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. O'Neill", written in a cursive style.
