

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

TAL  
Docket No: 7528-14/  
10723-11  
22 January 2015

[REDACTED]

Dear [REDACTED]

This is in reference to your recent reconsideration request. You previously petitioned the Board and were advised in our letter of 16 October 2012 that your application had been denied.

Your current request has been carefully examined by a three-member panel of the Board for Correction of Naval Records, sitting in executive session on 22 January 2015. Documentary material considered by the Board consisted of your letter, any material submitted in support of your application, and your prior case file.

After careful and conscientious consideration of the entire record, the Board determined your letter, even though not previously considered by the Board, was insufficient to establish the existence of material error or injustice. The Board determined your letter was not enough to outweigh the significant misconduct you committed while on active duty and your nonrecommendation for retention or reenlistment. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regrettable that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence within one year from the date of the Board's decision. New evidence is evidence not previously considered by the Board prior to making its decision in your case. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official record, the burden is on the applicant to demonstrate the existence of material error or injustice.

Sincerely,

A handwritten signature in black ink, appearing to read "R. J. O'Neill", is written over the typed name.

ROBERT J. O'NEILL  
Executive Director
